24. Shaw Industries is the world's largest carpet and carpet fiber manufacturer and a leading flooring provider. Our financial stability as a Berkshire Hathaway subsidiary provides you with unsurpassed quality, a broad product line and a constant stream of innovative products and services. With \$4.9 billion in revenues and very little debt, we have the flexibility to focus on research and development to shift our resources to any size project necessary. We offer multiple product categories including hardwood, laminate, resilient, ceramic and sports turf for residential and commercial applications.

Shaw is vertically integrated meaning it owns its supply chain from fiber to delivery and even recycling, giving us maximum quality control.

EcoWorx® backing is the industry's first PVC-free carpet tile. EcoWorx® backing is the strongest, most durable backing, with five times greater tensile strength, eight time greater tear strength and two time greater delamination strength than traditional PVC backing and is 100% recyclable. EcoWorx®, which contributed to your LEED credits, offers several advantages:

- EcoWorx® provides ingredient transparency through Cradle to Cradle Certification™ at the Silver Level and other measures including Health Product Declarations and Declare Registration.
- Uses 40% less energy in production than traditional carpet tile.
- Weighs 40% less than traditional carpet tile – creating carbon reductions in transport and increasing efficiency in installation.
- Low VOCs – meeting the requirement for Green Label Plus certification. Contributes to LEED 2009 and v4.
- High Performance sustainability – at no additional cost.

The Eco Solution Q fiber delivers excellent cleanability:

- Stain resistance performance and is engineered to reduce the visibility of dirt and soil.
- The highest denier per filament (DPF) in the industry, providing you with amazing performance and strength and carries a lifetime warranty covering abrasive wear and static.

Shaw Environmental Awards and Recognitions:

- 2017 Ecomagination Leadership and Return on Environment (ROE) awards for reductions in chemical usage and cost from GE Water & Process Technologies
- 2016 Greenie Award for water conservation, Coosa River Basin Initiative

- 2016 GreenStep Pinnacle Award, holistic approach to sustainability, Floor Covering Weekly
- 2015 Best in Environmental Leadership – Floor Covering News
- 2014 Cool Planet Award
- 2012 Industrial Environmental Association: Excellence & Sustainability Award
- 2012 Floor Covering News Awards of Excellence: Environmental Leadership
- 2011 GreenStep Pinnacle Award Honoree
- 2010/2005 GSA Evergreen Award in the Furnishings category
